Your customers become your ambassadors

They can pass a voucher, or part of one, to friends and family. It only spends with you, so **every share sends someone new through your door**, recommended by a person they trust.

Cash in sooner

Money arrives when the voucher is bought, not when it's spent.

No card machine

Customers pay you phone to phone. No terminal, no fee per sale.

No forgeries

Every voucher is signed. It can't be copied or spent twice.

NO PERCENTAGE ON ANY VOUCHER, EVER

Sell your first voucher this week.

We'll set your shop up on your own phone, at your own counter, in about five minutes, and sell the first voucher with you.
